Dear Sir/Madam,

PROPOSED RENEWAL OF EXISTING SHAREHOLDERS' MANDATE FOR THE COMPANY AND/OR ITS SUBSIDIARIES TO ENTER INTO RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE WITH RELATED PARTIES AND PROVISION OF FINANCIAL ASSISTANCE

I INTRODUCTION

At the 21st AGM held on 3 December 2024, the Company obtained a mandate from its Shareholders to enter into Recurrent Related Parties Transactions ("RRPTs") with Related Parties which are necessary for its day to day operations and are in the ordinary course of business based on the normal commercial terms which are not more favorable to the Related Parties than those generally available to the public and not to the detriment of Minority Shareholders ("Existing Mandate").

The Existing Mandate shall lapse at the conclusion of the forthcoming AGM of the Company unless a new mandate for RRPTs is obtained from the shareholders at the AGM.

On 26 August 2025, the Board of Directors of the Company announced to Bursa Securities its intention to seek the shareholders' approval on the Proposed Renewal of Shareholders' Mandate at the forthcoming AGM to be held on 3 December 2025.

The purpose of this Circular is to provide you with details on the Proposal and to seek your approval for the resolution(s) thereto to be tabled at the forthcoming 22nd AGM of the Company to be convened at the Dewan Berjaya, Bukit Kiara Equestrian & Country Resort, Jalan Bukit Kiara, Off Jalan Damansara, 60000 Kuala Lumpur on Wednesday, 3 December 2025 at 10.00 a.m. The notice convening the 22nd AGM together with the Form of Proxy have been set out in the Annual Report 2025.

SHAREHOLDERS ARE ADVISED TO READ THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE RESOLUTIONS PERTAINING TO THE PROPOSAL AT THE FORTHCOMING AGM OF THE COMPANY.

1.0 DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

Under Paragraph 10.09(2) of the Listing Requirements, Mycron may seek a shareholders' mandate in respect of RRPT(s) which are necessary for its day-to-day operations subject to the following:

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party(ies) than those generally available to the public;
- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- (iii) the Company to issue a Circular to Shareholders in relation to the Shareholders' mandate which shall include all information as may be prescribed by Bursa Securities, together with a checklist showing compliance with such information when submitting to Bursa Securities.
- (iv) in a meeting to obtain the shareholders' mandate, the interested Director, interested Major Shareholder(s) and/or interested persons connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution approving the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with him/her/it abstain from voting on the resolution approving the transactions; and
- (v) Mycron immediately announces to Bursa Securities when the actual value of a RRPT(s) entered into by Mycron exceeds the estimated value of the RRPT(s) disclosed in the Circular to Shareholders by ten percent (10%) or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a listed issuer has procured a shareholders' mandate pursuant to the above, the provisions of Paragraph 10.08 of the Listing Requirements will not apply with regard to transactions as detailed in Sections 3.3(A) and 3.3(B) of this Circular.

Transactions entered between a listed issuer (or any of its wholly owned subsidiaries) and its wholly owned subsidiaries are excluded from the requirements of Chapter 10.09(2) of the Listing Requirements.

Mycron Group has entered into certain RRPT(s) in the ordinary course of business and it is anticipated that the Mycron Group would, in the ordinary course of business continue to enter into such RRPT(s) referred to in Sections 3.3(A) and 3.3(B) of this Circular. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

In view of the time-sensitive, confidentiality and frequent nature of such RRPT(s), the Board of Directors is seeking the shareholders' approval for the Proposed Renewal of Shareholders' Mandate for the Mycron Group to enter into the categories of RRPT(s) referred to in Sections 3.3(A) and 3.3(B) of this Circular with the Related Parties, provided that such transactions are entered into at arm's length and on terms which are not more favourable to the Related Parties than those generally available to the public and which are not detriment to the minority shareholders of Mycron. The RRPT(s) will also be subject to the review procedures as set out in Section 5.0 of this Circular.

In compliance with Chapter 10 of the Listing Requirements, Practice Notes No. 12 and No. 14, Mycron now proposes to seek shareholders' approval on the Proposed Renewal of Shareholders' Mandate to allow the Company to enter into RRPT(s) from time to time with the Related Parties. Such mandate will enable the Group to enter into the RRPT(s) without the necessity, in most instances, to make the otherwise required announcement or to convene meetings in order to procure specific prior approval of its shareholders. The Proposed Renewal of Shareholders' Mandate will take effect from the date the Ordinary Resolution is passed by the shareholders at the forthcoming 22nd AGM of the Company or at any adjournment thereof and will remain in effect until:

- (i) the conclusion of the next AGM of the Company following the AGM at which such Proposed Renewal of Shareholders' Mandate was passed, at which time it will lapse, unless by a resolution passed at the AGM, the authority is renewed; or
- (ii) the expiration of the period within which the next AGM of the Company after the forthcoming AGM is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by resolution passed by the shareholders in general meeting;

whichever is the earlier.

Disclosure will be made in accordance with Section 3.1.5 of Practice Note No. 12 issued by Bursa Securities, which requires the breakdown of the aggregate value of the RRPT(s) entered into during the financial year based on, amongst others, the following information:

- (i) types of RRPT(s); and
- (ii) names of Related Parties involved in each type of RRPT(s) entered into and their relationship with the Company,

pursuant to the Proposed Renewal of Shareholders' Mandate in the Company's Annual Report, and in the annual report for subsequent years that the Proposed Renewal of Shareholders' Mandate continues to be in force.

The Current Estimated Value of these transactions may be subject to changes. None of the Actual Value of the RRPT(s) disclosed above has exceeded the Estimated Value by 10% or more.

4.0 BASIS OF ESTIMATES

The pricing method for the estimated values was based on:

- (i) arm's length basis and on normal commercial terms and on terms not more favorable to the related party(ies) than those generally available to the public and are not detrimental to the minority shareholders of the Company. Due consideration based on prevailing market rates under usual commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms was given to price, payment, quality, delivery and service in order to maximise benefits for any purchase under the transactions.
- (ii) competitive commercial terms based on quotations from other sources of supply of the products/services required by the Group. Reference shall also be made to published market reports, if available, pertaining to transactions of similar products concluded in other markets.

The estimated value in respect of each transaction referred to above is based on accounting records which in turn are based on prevailing prices obtained from the related parties which are reasonably market-competitive prices and based on the expected level of transactions to be entered into by the Group. The estimated amounts are further based on the assumptions that current level of operations will continue and all external conditions remain constant.

At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of produces/services and/or quantities.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained (for instance, if there are no unrelated third party vendors/customers of similar products or services, or if the product/service is a proprietary item), Management will ensure the RRPT(s) will only be entered with the Related Parties after taking into account the pricing, level of services, quality of products and other related factors to ensure that the RRPT is not detrimental to Mycron Group.

5.0 REVIEW PROCEDURES FOR THE RRPT(S)

Mycron has established the following procedures and guidelines to ensure that the RRPT(s) are undertaken on an arm's length basis and on normal commercial terms, consistent with Mycron's usual business practices and policies, which are not more favourable to the Related Parties than those normally available to the public and are not to the detriment of the minority shareholders:

- (i) A list of Related Party(ies) will be circulated to the Audit and Governance Committee to notify that all RRPT(s) are required to be undertaken on an arm's length basis and on normal commercial terms and on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders;
- (ii) Records of RRPT(s) will be retained and compiled for review by the Audit and Governance Committee;

- (iii) The Audit and Governance Committee shall review all aspects of the RRPT(s) where the consideration, value of the assets, capital outlay or costs thereof, equal or exceed RM1,000,000 and ensure that they are conducted at arm's length basis. Any member of the Audit and Governance Committee may, as he/she deems fit, request for additional information pertaining to the RRPT(s) including appointing an independent adviser/expert as they deem appropriate;
- (iv) Disclosure on all material RRPT(s) will be made in the Annual Report of the Company;
- (v) The RRPT(s) will be conducted at arm's length and based on normal commercial terms consistent with the Group's usual business policies and practices (subject to applicable rules and regulations) and will not be prejudicial to the minority shareholders;
- (vi) The interested directors who are members of the Board and Audit and Governance Committee will abstain from deliberating and voting on all matters pertaining to the Recurrent Related Party Transactions at the relevant meetings of the Board or Audit and Governance Committee;
- (vii) The transactions with a related party will only be entered into after taking into account the pricing, quality, delivery schedules, level of service and other related factors which are determined in accordance to the Group's business practices and policies, such as calling for tenders, quotations, so as to ensure that the prices and terms and conditions are based on competitive prices of similar products and services in line with industry norms; and
- (viii) The Audit and Governance Committee monitors on quarterly basis actual transacted values of RRPT(s) under the Proposed Renewal of Shareholders' Mandate to ensure that the Company makes an announcement to Bursa Securities if the actual value exceeds 10% or more of the estimated value disclosed in the Circular for a particular group of Related Parties.

The following are commercial considerations which the Mycron Group takes into account before entering into transactions for the sale/supply of goods and provision of services to a purchaser, in the ordinary course of business:-

- The ability and track record of the purchaser to pay for the goods supplied or services provided; and
- Whether past experience and working relationship with the purchaser has been satisfactory.

The following are commercial considerations which Mycron Group takes into account before entering into transactions for the receipt of goods or services from a vendor/service provider, in the ordinary course of business:-

- Mycron Group's pricing for the goods to be provided or supplied and/or received or purchased is negotiated between the Mycron Group and Related Party based on the prevailing market prices as agreed with unrelated third parties;
- The terms are not more favourable to the Related Party than those extended to unrelated third parties and available to the public and the Recurrent Related Party Transactions are not detrimental to minority shareholders;
- The transactions are entered into after taking into account factors such as pricing, quality, delivery schedules and, where applicable, preferential rates, rebates or discount accorded for bulk purchases, the terms offered are fair and reasonable and in Mycron Group's commercial interests;

- The competitiveness in pricing;
- The standard and quality of the goods/services and whether it meets the requirements of Mycron Group;
- The responsiveness and level of service provided by the goods or service providers and whether past experience and working relationship has been satisfactory; and
- The track record and competence of the goods or service provider and whether the goods or service provider has sufficient resources to perform its obligations.

Mycron Group would only enter into transactions with the relevant parties based on the above criteria, regardless of whether or not the party is related.

6.0 THRESHOLD OF AUTHORITY

There is no specific threshold for approval of RRPT(s) within Mycron Group. However, all RRPT(s) are subject to the approval of the Board. Where any Director has an interest (direct or indirect) in any RRPT(s), such Director shall abstain from deliberation and voting on the matter. If it is determined that the guidelines and/or procedures stated in Section 5.0 of this Circular, are inadequate to ensure that :

- (i) RRPT(s) will be conducted at arms' length and on normal commercial terms which are not more favorable to the Related Party(ies) than those generally available to the public; and
- (ii) such transactions are not to the detriment of the minority shareholders of the Company or prejudicial to the interests of the shareholders,

the Company will obtain a fresh shareholders' mandate.

7.0 STATEMENT BY THE AUDIT AND GOVERNANCE COMMITTEE

The Audit and Governance Committee has seen and reviewed the procedures. The Audit and Governance Committee is of the view that the procedures mentioned in Section 5.0 of this Circular are sufficient to ensure that RRPT(s) of a revenue or trading nature as set out in Sections 3.3(A) and 3.3(B) of this Circular are not more favorable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders.

Mycron Group has in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner which procedures and processes are reviewed on a quarterly basis by the Audit and Governance Committee, and if necessary, the Audit and Governance Committee may request internal audit to review the systems and procedures.

8.0 RATIONALE FOR AND BENEFITS TO THE GROUP

The rationale for and benefits of the Proposed Renewal of Shareholders' Mandate to Mycron Group are as follows:

- (a) the Proposed Renewal of Shareholders' Mandate will empower the Group to enter into transactions with related parties which are necessary in day-to-day operations of the Group, undertaken at arm's length, normal commercial terms, on terms not more favorable to the related party than those generally made available to the public and are not detrimental to the minority shareholders;
- (b) the Proposed Renewal of Shareholders' Mandate will substantially reduce the expenses associated with convening of general meetings on an ad hoc basis and hence will reduce the expenses associated therewith;
- (c) the RRPT(s) entered into by the Group are intended to meet business needs at the best possible terms and it also enhances the ability to explore beneficial business opportunities and to promote cross-selling within the Mycron Group which will be of benefit to all the companies within the Mycron Group; and
- (d) In addition to the above benefits, the Related Parties had also proven to be reliable in its delivery of services and products as well as fulfilling the quality expectations of the Mycron Group. Due to previous business dealings with the Related Parties, the Related Parties are familiar with the Group's operations and are able to meet the Group's business requirements even when short notice is given. This has allowed the Group to benefit from sudden business opportunities that had arisen.

The benefits comprises the meeting allowances, benefits-in-kind and other emoluments payable to the Non-Executive Directors of the Company.

13. Explanatory Notes to Special Business of Agenda 7:

(C) Proposed Renewal of Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature (Ordinary Resolutions 7 and 8)

The Proposed Ordinary Resolutions 7 and 8, if passed, will empower the Company to conduct RRPTs of a revenue or trading nature which are necessary for the Group's day-to-day operations, and will eliminate the need to convene separate general meetings from time to time to seek shareholders' approval. This will substantially reduce administrative time, inconvenience and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

(D) Authority to Issue and Allot Shares Pursuant to Sections 75 and 76 of the Act (Ordinary Resolution 9)

The Ordinary Resolution proposed under Resolution 9 of the Agenda is a renewal of the general mandate for the Directors to issue and allot shares pursuant to Sections 75 and 76 of the Act. This mandate will provide flexibility for the Company to undertake future possible fund raising activities, including but not limited to placement of shares for purpose of funding the Company's future investment projects, working capital and/or acquisition(s) without having to convene another general meeting.
